PREFACE

1. THE Mysore Half-yearly Civil List, containing the names of officers in the several departments of the State, is compiled in accordance with O.M. No. Ch. S. 6732-6831—Misc. 80-51-1, dated 25th September 1951.

(a) The publication of the Mysore Civil List, Part II, which used to contain matter, more or less of a constant nature, such as, names of Members of the Legislative Assembly, List of Abbreviated Addresses, the List of Title-holders, recipients of Public Service Medals, etc., has been discontinued, so that the Civil List is now being published only in one part.

(b) The names of officers of the Mysore Civil Service and Mysore Police Service appointed to the Mysore Cadres of the Indian Administrative Service and the Indian Police Service which have been established in the State from 26th January 1951 are also indicated in separate statements.

(c) The bifurcation of the staff of the ex-composite cadre of the Mysore Audit and Accounts Department having been completed, a list of officers taken over to the Centre is shown separately under the "Indian Audit and Accounts Department", and a list of officers who are allocated to the State is also shown separately under the "State Accounts Department".

2. The Civil List has been compiled in accordance with the following rules laid down in Government Order No. 9326—G.F. 43-92, dated 12th December 1893, as amended by Government Order No. Fl. 3656-7—G.F. 147-16-1, dated 23rd December 1916.

(a) When several officers are appointed to the same grade by the same order, their relative rank must follow the order of dates, if any, expressly specified for giving effect to the various appointments. If there is no specification of such dates, or, when the same date is specified for all, their rank must follow the order in which the names are entered.

(b) In the case of a batch of Probationary Assistant Commissioners, or other officers appointed at or about the same time, the Government do not generally settle their relative rank at the time of such appointment. Such rank cannot be finally settled before the probationary period is over and the probationary officers are appointed to the regular grades. When this is done, their relative rank should be deduced from the *order of appointment* in accordance with the principles laid down in the preceding Rule.

(c) When several officers of the subordinate grades are from time to time appointed to act in the superior grades, their relative rank must not follow the dates of their acting appointments, but must be deduced from the terms of the order or orders confirming them, on the principle laid down in Rule (a) above. Acting appointments are made with reference to the convenience of the moment, so that it sometimes happens that the best men entitled to promotion are not the first to get the acting appointments.

(d) If an Assistant Commissioner is promoted to act as Senior Assistant Commissioner in preference to his senior on the ground that the latter has not qualified himself for promotion by passing the Departmental Examination at the time when the vacancy arises, he will take his rank above such senior in the list of Senior Assistant Commissioners (G.O. No. 260-1—C.B. 225-19-3, dated 17th August 1920).

3. Examinations passed by Gazetted Officers should be intimated to the Heads of Departments as soon as the results are announced, so that they may be included in the next issue.

4. Dates of commencement of service have been given wherever the information was available.

5. All communications regarding errors and omissions relating to Gazetted Officers which may be discovered in the Civil List should be addressed to the Heads of Departments concerned, copies of such communications being also endorsed to the Assistant Secretary to Government, Chief Secretariat. Suggestions for improvements, if any, may kindly be addressed to the Assistant Secretary, Chief Secretariat, Atara Kachery, Bangalore.

N. PUTTARANGASWAMY,
